Dear Interested Parties:

EXTERNAL QUALITY REVIEW ORGANIZATION PROJECT REQUEST FOR PROPOSAL 01-16170 ADMINISTRATIVE BULLETIN 4, ADDENDUM 2

Administrative Bulletin 4 and Addendum Number 2 to the Request for Proposal (RFP) for the External Quality Review Organization (EQRO) incorporates changes to this RFP and responds to a verbal question received and other inaccuracies discovered in the review of the RFP. Within the text of the document, changes are highlighted with a vertical bar appearing to the right of any paragraphs that were revised. Deleted language is noted by ~~strike thorough~~ presentation.

Due to the chart format and intended use of the of Attachments 10, the correction of the ending dates for extension year 1 from "Extension Year 1 Ending **9/30/04**" and extension year 2 Ending **9/30/05**" **will be corrected without showing the original text as a strike through**. The correction will replace "Extension Year 1 Ending **9/30/04**" with "Extension Year 1 Ending **9/30/06**" and "Extension Year 2 Ending **9/30/05**" with "Extension Year 2 Ending **9/30/07**". This correction will appear on all pages of Attachment 10 except for Attachment 10-8, which has no date reference to the extension years.

Any changes made to the RFP are published as additional or replacement pages to the RFP. Because the RFP is available in hard copy or in an electronic version two tables are included in this bulletin. The instructions for updating the hard copy version are for the replacement pages enclosed, which may be double-sided or single-sided, as required.

In order to configure the RFP so that it accurately reflects the current requirements and considerations, add the new page or remove the existing page and insert the appropriate replacement page as indicated in the table on the following page.
